

Officials During Matches – First Aider

Applies to all Age Groups

- A qualified First Aider must be present for all Games.
- A first aid area will be provided for all games. The first aider should base themselves in or around this area.
- The first aider should check the first aid kit to ensure equipment to available to meet expected needs (this includes a stretcher).
- Games are not allowed to proceed without a nominated First Aider in attendance.
- The First Aider must wear the First Aider Vest at all times so that people know who to go to.
- In the event of an on-field injury only the first Aider is allowed to enter the playing area.
- Coaches must abide by the decision of the first aider if the recommendation is that the player not continue playing.
- The First aider must abide by the Administration / Officials Code of Conduct.
