In general terms, for a full season rego the Club adds between **\$145 to \$160** to the AFLQ component to cover Club costs. Half season rego's are generally half of the full season fee.

(NOTE: Half Season Rego's will not receive a Team Photo as photos are normally completed before the mid-season entry point).

Our aim is to try and keep the cost of registration as low as possible to drive retention and participation. We try to grow the Club and fund other initiatives by securing: Club Sponsorships, Grants and/or Donations and Canteen sales.
